DCRB Circular #1073

To All Members of the DCRB:

Re: Delaware Workers Compensation Insurance Plan Servicing Carrier Selection

As Plan Administrator for the Delaware Workers Compensation Insurance Plan (DE WCIP), the Delaware Compensation Rating Bureau (DCRB) has completed its servicing carrier selection process for the three-year contract period beginning January 1, 2027.

The following servicing carriers have been selected:

- Travelers Property Casualty Co of America
- PA Manufacturers Assn (Old Republic Insurance Company)
- AmGuard Insurance Company

The new contract period will run from January 1, 2027, through December 31, 2029.

Under the DE WCIP, policies affected by a change in servicing carriers are not automatically transferred to another servicing carrier. Affected policyholders that continue to require coverage through the Plan will therefore need to reapply before their current policy expires. Employers may also obtain replacement coverage in the voluntary market

DCRB will communicate with all affected policyholders approximately 120 days in advance of the applicable policy expiration date to provide information regarding the transition and reapplication process.

Questions regarding the servicing carrier transition or reapplication process may be directed to DCRB's Residual Market Team, at dipm@dcrb.com.
